FOR IMMEDIATE RELEASE

20 December 2023

RECOMMENDED CASH ACQUISITION
of
SHANTA GOLD LIMITED
by
SATURN RESOURCES LTD
(a newly formed company wholly-owned by ETC Holdings (Mauritius) Limited)

to be effected by means of a scheme of arrangement under Part VIII of the Companies
(Guernsey) Law, 2008, as amended

Summary

- The boards of directors of Saturn Resources Ltd (“**Bidco**”), a wholly-owned subsidiary of ETC Holdings (Mauritius) Limited (“**ETC Holdings**”), and Shanta Gold Limited (“**Shanta**”), are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition by Bidco of the entire issued and to be issued share capital of Shanta not already owned by any member of the Bidco Group (the “**Acquisition**”).
- Under the terms of the Acquisition, Shanta Shareholders (other than any member of the Bidco Group) will be entitled to receive:

for each Shanta Share: 13.5 pence in cash

- The Consideration of 13.5 pence per Shanta Share values the entire issued share capital of Shanta at approximately £141.95 million and represents a premium of approximately:
 - 6.72 per cent. to the Closing Price of 12.65 pence per Shanta Share on 19 December 2023 (the “**Latest Practicable Date**”);
 - 23.28 per cent. to the volume-weighted average Closing Price of 10.95 pence per Shanta Share for the three month period ended on the Latest Practicable Date;
 - 32.63 per cent. to the volume-weighted average Closing Price of 10.18 pence per Shanta Share for the six month period ended on the Latest Practicable Date; and

→ 27.74 per cent. to the volume-weighted average Closing Price of 10.57 pence per Shanta Share for the twelve month period ended on the Latest Practicable Date.

- In addition, each Shanta Shareholder holding Shanta Shares at the relevant record date will be entitled to receive and retain an interim dividend of up to 0.15 pence per share intended to be declared by the Shanta Board and paid prior to the Effective Date (the “**Permitted Dividend**”).

Irrevocable undertakings and letter of intent

- In addition to the irrevocable undertakings from Independent Shanta Directors noted below, Bidco has received an irrevocable undertaking from Shanta's largest shareholder to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of 87,306,112 Shanta Shares, representing approximately 8.67 per cent. of the Voting Scheme Shares, and approximately 8.30 per cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date.
- Bidco has also received a letter of intent from the second-largest Shanta Shareholder to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of 86,901,970 Shanta Shares, representing approximately 8.63 per cent. of the Voting Scheme Shares, and approximately 8.26 per cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date.
- Accordingly, as at the date of this Announcement, including the irrevocable undertakings from the Independent Shanta Directors noted below, Bidco has received irrevocable undertakings and a letter of intent to vote, or procure the voting, in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer) in respect of a total of 193,103,155 Shanta Shares (representing approximately 19.18 per cent. of the Voting Scheme Shares and approximately 18.37 per cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date).

Full details of the irrevocable undertakings and the letter of intent received by Bidco are set out in Appendix 3 to this Announcement.

Recommendation

- The Independent Shanta Directors, who have been so advised by Liberum as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Independent Shanta Directors, Liberum has taken into account the commercial

assessments of the Independent Shanta Directors. Liberum is providing independent advice to the Independent Shanta Directors for the purposes of Rule 3 of the Takeover Code.

- Accordingly, the Independent Shanta Directors intend to recommend unanimously that Voting Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that Shanta Shareholders vote in favour of the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer) as those Independent Shanta Directors who are interested in Shanta Shares have irrevocably undertaken to vote in favour (or procure to vote) in respect of their own beneficial holdings of 18,895,073 Shanta Shares, representing, in aggregate, approximately 1.88 per cent. of the Voting Scheme Shares, and approximately 1.80 per cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date.
- Since Ketan Patel, who is a Shanta Director, is associated with and indirectly beneficially interested in Bidco:
 - he is not deemed sufficiently independent to join with the remaining Shanta Directors in relation to them considering, and publicly expressing their views on, the Acquisition; and
 - the Acquisition is also classified as a related party transaction for the purposes of the AIM Rules. The Independent Shanta Directors consider, having consulted with Liberum, Shanta's nominated adviser, that the terms of the Acquisition are fair and reasonable in so far as Shanta's Shareholders are concerned.

Information on the Bidco Group and its major shareholders

Bidco

- Bidco is a company limited by shares, incorporated in November 2023, under the laws of Mauritius.

The Bidco Group

- Bidco is a wholly-owned subsidiary of ETC Holdings, an investing company with assets in a diverse range of industries, primarily through its controlling shareholding in ETC Group, trading as "ETG".
- ETG is a multi-billion USD-revenue global conglomerate with expertise across multiple industries, encompassing agricultural inputs, logistics, merchandising and processing of agricultural commodities, supply chain optimization, digital transformation, metals and energy. ETG has operations in over 40 countries, employing in excess of 7,000 people and owning over 400 warehousing, processing and distribution centres.
- The ultimate beneficial owners of Bidco (the "UBOs") are Mr Ketan Patel, Mr Birju Patel and Mr Mahesh Patel, whose biographies are set out later in this Announcement.

Acquisition Structure, Timetable and Conditions

- It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement between Shanta and the Scheme Shareholders under Part VIII of the Companies Law in Guernsey (although Bidco reserves the right to effect the Acquisition by way of a Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement).
- The Acquisition will be put to Shanta Shareholders at the Court Meeting and the General Meeting. The Court Meeting and the General Meeting are required to enable eligible Shanta Shareholders to consider, and if thought fit, to vote in favour of the Scheme and the Resolution(s) to facilitate the implementation of the Scheme. In order to become Effective, the Scheme must be approved by a majority in number of Voting Scheme Shareholders, present and voting (and entitled to vote) at the Court Meeting, whether in person or by proxy, representing 75 per cent. or more of the voting rights of the Voting Scheme Shareholders (or the relevant class or classes thereof). In addition, in order for the Scheme to become Effective, at the General Meeting, the Resolution(s) must be passed by Shanta Shareholders representing, whether in person or by proxy, at least 75 per cent. of the votes validly cast on the Resolution(s). The General Meeting will be held immediately after the Court Meeting.
- The Shanta Shares owned or controlled by Export Holdings, a company associated with the UBOs, including Ketan Patel (being 44,488,248 Shanta Shares as at the close of business on the Latest Practicable Date) will not constitute Scheme Shares. The Shanta Shares owned or controlled by any Bidco Connected Individual (being, in aggregate, 363,448 Shanta Shares as at the close of business on the Latest Practicable Date) will constitute Scheme Shares. No member of the Bidco Group or any Bidco Connected Individual will be permitted to vote the Shanta Shares owned or controlled by them at the Court Meeting but will be permitted to vote such Shanta Shares at the General Meeting.
- The Acquisition will be subject to the Conditions and terms set out in Appendix 1 of this Announcement, including, amongst other things: (i) the receipt of regulatory approvals from the Tanzanian Fair Competition Commission, the Competition Authority of Kenya, the Tanzanian Mining Commission and the Cabinet Secretary for Mining, Blue Economy and Maritime Affairs in Kenya (without any authority having extended the period for review of the Acquisition), (ii) approval by the requisite majority of Voting Scheme Shareholders of the Scheme at the Court Meeting and sanction of the Scheme by the Court, (iii) approval by the requisite majority of Shanta Shareholders of the Resolution(s) to be proposed at the General Meeting, and (iv) to the full terms and conditions of the Acquisition which will be set out in the Scheme Document.
- It is expected that the Scheme Document containing further details of the Scheme and the Acquisition and the notices of the Meetings, together with the accompanying Forms of Proxy, will be published in January 2024 (unless the Panel agrees otherwise). An expected timetable of principal events will be included in the Scheme Document.
- The Acquisition is expected to become Effective in H1 2024, subject to the satisfaction (or, where applicable, waiver) of the Conditions and further terms set out in Appendix 1 and to all terms and conditions of the Acquisition which will be set out in the Scheme Document.

Commenting on today's Announcement, Ketan Patel, a director of Bidco and ETC Holdings, said:

“As a shareholder in Shanta, we remain supportive of management and their strategy. However, we believe that Shanta’s share price may inhibit Shanta’s ability to deliver on its strategy and potential to maximise future shareholder returns. Furthermore, the lack of trading liquidity prevents ourselves and other institutional shareholders from being able to exit without risk of causing a detrimental impact on the share price. We believe that it would be beneficial for Shanta, its employees, and its other stakeholders to continue its growth and development as a private company. As part of ETC Holdings, Shanta will benefit from the experience and connections of ETC Holdings and ETG in East Africa and as a result, have additional support during the currently heightened levels of macro-instability.

Anticipating that current pressures on Shanta’s operating market are to persist for the near-term and given the significant technical, financial, regulatory and geopolitical risks, our objective is also to provide liquidity to shareholders to realise their investment for cash at an appropriate premium to the current market value.”

Commenting on the Acquisition, Tony Durrant, Chairman of Shanta, said:

“Shanta has successfully brought two mines into production since 2013 and has an exciting development project in West Kenya. Whilst the Independent Shanta Directors have confidence in Shanta’s ability to deliver on its business plan and to continue to deliver strong results and growth in the future, this is an all-cash offer at a premium to the current price when the gold price is close to an all-time high. As such it provides an exit opportunity in cash for all shareholders taking into account the current gold price as well as the operational and other risks inherent in the business.”

This summary should be read in conjunction with, and is subject to, the full text of this Announcement and the Appendices. The Acquisition will be subject to the Conditions and certain other terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Scheme Document. Appendix 2 contains the bases of calculation and sources of certain information contained within this Announcement. Details of the irrevocable undertakings and the letter of intent received by Bidco in connection with the Acquisition are set out in Appendix 3. Certain terms used in this Announcement are defined in Appendix 4.

Persons who are not resident in the United Kingdom or Guernsey or who are subject to the laws and regulations of other jurisdictions should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in the United Kingdom or Guernsey to vote their Shanta Shares with respect to the Scheme at the Meetings, or to execute and deliver Forms of Proxy (or other proxy instructions) appointing another to vote at the Meetings on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Notice to US investors in Shanta

The Acquisition relates to the shares of a company registered in Guernsey with a quotation on AIM and is proposed to be made by means of a scheme of arrangement provided for under, Part VIII of the Companies Law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act of 1934, as amended. Accordingly, the Acquisition will be subject to the disclosure requirements and practices applicable in

Guernsey to schemes of arrangement which differ from the disclosure requirements of United States tender offers and proxy solicitation rules.

This Announcement does not constitute or form a part of any offer to sell or issue, or any solicitation of any offer to purchase, subscribe for or otherwise acquire, any securities in the United States. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of the information contained in this Announcement. Any representation to the contrary may be a criminal offence.

If, in the future, Bidco exercises the right, with the consent of the Panel (where necessary), to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including Section 14(e) of the US Securities Exchange Act 1934 and Regulation 14E thereunder.

Financial information included in this Announcement and the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) has been or will be prepared in accordance with accounting standards applicable in the United Kingdom and Guernsey that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of cash pursuant to the Acquisition by a US holder of Shanta Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Shanta Shareholder is therefore urged to consult with independent legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

It may be difficult for US holders of Shanta Shares to enforce their rights and any claim arising out of the US federal laws in connection with the Acquisition, since Bidco and Shanta are located in, and organised under the laws of, a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of Shanta Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to the jurisdiction or judgment of a US court.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Securities Exchange Act of 1934, Bidco, certain affiliated companies and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Shanta Shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Also, in accordance with Rule 14e-5(b) of the US Securities Exchange Act of 1934, each of Berenberg and Liberum will continue to act as an exempt principal trader in Shanta Shares on the London Stock Exchange. If such purchases or arrangements to purchase were to be made, they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Securities Exchange Act of 1934. Any information about such purchases will be disclosed as required in the UK,

will be reported to the Regulatory News Service of the London Stock Exchange and will be available on the London Stock Exchange website <https://www.londonstockexchange.com/>.

Forward-looking statements are prospective in nature and not based on historical facts, but rather on current expectations and projections of the management of Bidco and/or Shanta about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements with respect to the financial condition, results of operations and business of Shanta and certain plans and objectives of Bidco with respect thereto and other statements other than historical facts. Other unknown or unpredictable factors could cause actual results to differ materially from those

expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results and developments may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Bidco nor Shanta, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in their Announcement will actually occur. Given the risks and uncertainties, you are cautioned not to place any reliance on these forward-looking statements.

Other than in accordance with their legal or regulatory obligations, neither Bidco nor Shanta is under any obligation, and Bidco and Shanta expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

General

FOR IMMEDIATE RELEASE

20 December 2023

RECOMMENDED CASH ACQUISITION

of

SHANTA GOLD LIMITED

by

SATURN RESOURCES LTD

(a newly formed company wholly-owned by ETC Holdings (Mauritius) Limited)

to be effected by means of a scheme of arrangement under Part VIII of the Companies (Guernsey) Law, 2008, as amended

1. Introduction

The boards of directors of Saturn Resources Ltd ("**Bidco**"), a wholly-owned subsidiary of ETC Holdings (Mauritius) Limited ("**ETC Holdings**"), and Shanta Gold Limited ("**Shanta**"), are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition by Bidco of the entire issued and to be issued share capital of Shanta not already owned by any member of the Bidco Group (the "**Acquisition**").

2. The Acquisition

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part VIII of the Companies Law.

Under the terms of the Acquisition, which will be subject to the Conditions and other terms set out in this Announcement and to the full terms and conditions which will be set out in the Scheme Document, Shanta Shareholders (other than any member of the Bidco Group) will be entitled to receive:

for each Shanta Share: 13.5 pence in cash

The Consideration of 13.5 pence per Shanta Share values the entire issued share capital of Shanta at approximately £141.95 million and represents a premium of approximately:

- 6.72 per cent. to the Closing Price of 12.65 pence per Shanta Share on 19 December 2023 (the “**Latest Practicable Date**”);
- 23.28 per cent. to the volume-weighted average Closing Price of 10.95 pence per Shanta Share for the three month period ended on the Latest Practicable Date;
- 32.63 per cent. to the volume-weighted average Closing Price of 10.18 pence per Shanta Share for the six month period ended on the Latest Practicable Date; and
- 27.74 per cent. to the volume-weighted average Closing Price of 10.57 pence per Shanta Share for the twelve month period ended on the Latest Practicable Date.

In addition, each Shanta Shareholder will be entitled to receive and retain the Permitted Dividend. It is anticipated that the Permitted Dividend would be declared and have a record date before the Effective Date, and would be paid to those Shanta Shareholders who are on Shanta’s register of members on a date which is on or prior to the Effective Date. The Permitted Dividend shall be paid to Shanta Shareholders without a commensurate reduction in the Consideration payable under the Acquisition. Other than the Permitted Dividend, Bidco reserves the right to reduce the Consideration payable for each Scheme Share pursuant to the Acquisition by up to the amount per Scheme Share of any dividends or other distribution to shareholders (whether payable in cash or otherwise) paid by Shanta prior to the Effective Date.

The Acquisition is expected to become Effective in H1 2024, subject to the satisfaction or (where applicable) waiver of the Conditions and further terms set out in Appendix 1 to this Announcement including, amongst other things: (i) the receipt of regulatory approvals from the Tanzanian Fair Competition Commission, the Competition Authority of Kenya, the Tanzanian Mining Commission and the Cabinet Secretary for Mining, Blue Economy and Maritime Affairs in Kenya (without any authority having extended the period for review of the Acquisition), (ii) approval by the requisite majority of Voting Scheme Shareholders of the Scheme at the Court Meeting and sanction of the Scheme by the Court, (iii) approval by the requisite majority of Shanta Shareholders of the Resolution(s) to be proposed at the General Meeting, and (iv) to the full terms and conditions of the Acquisition which will be set out in the Scheme Document.

3. Interests of Bidco, and associated persons, in Shanta Shares

The Shanta Shares owned or controlled by Export Holdings, a company associated with the UBOs, including Ketan Patel (being 44,488,248 Shanta Shares as at the close of business on the Latest Practicable Date) will not constitute Scheme Shares and will not be acquired by Bidco pursuant to the Acquisition. Upon the Acquisition becoming Effective, Export Holdings, or a company associated with Bidco, will continue to hold such Shanta Shares.

The Shanta Shares owned or controlled by the Bidco Connected Individuals (being, in aggregate, 363,448 Shanta Shares, as at the close of business on the Latest Practicable Date) will constitute Scheme Shares and will be acquired by Bidco pursuant to the Acquisition.

Export Holdings will not be permitted to vote the Shanta Shares owned or controlled by it at the Court Meeting, but will be permitted to vote such Shanta Shares at the General Meeting.

In addition, no Bidco Connected Individual will be permitted to vote the Shanta Shares owned or controlled by them at the Court Meeting but will be permitted to vote such Shanta Shares at the General Meeting.

4. Bidco’s background to and reasons for the Acquisition

The UBOs were part of the original founding team of Shanta in 2001. Whilst there have been significant positive actions taken by executive management leading to Shanta's share price growth of over 175 per cent. in the past five years, ultimately the UBOs believe that it would be beneficial for Shanta, its employees and other stakeholders for Shanta to continue its growth and development as a private company for the following reasons:

De-rating of gold sector valuations

Over the last decade, the valuation of publicly listed gold companies has de-rated with industry research illustrating that UK listed African gold miners are now trading over 40% down on a P/NAV basis than five years ago. Bidco believes the impact on junior gold miners within that peer group is exacerbated by other factors such as lack of diversification, jurisdictional issues and poor liquidity.

Lack of market recognition in the long-term prospects

Notwithstanding the value-enhancing actions taken by Shanta’s executive management and the Shanta Board, there is a lack of recognition by investors in Shanta’s long-term prospects, including West Kenya upside and continued mine life extensions in Tanzania, which Bidco believes is symptomatic of the UK listed, Africa-focussed junior gold sector in particular.

Despite the potential for plant expansion and increased gold production at the Singida Gold Mine over the next few years as announced on 3 July 2023, mine life extension at the New Luika Gold Mine announced on 22 May 2023 and the upgrade to the West Kenya Project mineral resource estimate on 22 February 2023, Shanta’s VWAPs have remained relatively flat over the last year as evidenced below.

Period*	VWAP (pence per Shanta Share)
<i>3 months</i>	<i>10.95</i>
<i>6 months</i>	<i>10.18</i>
<i>9 months</i>	<i>10.51</i>
<i>12 months</i>	<i>10.57</i>
Average	10.55

* in each case, timeframes are for the period ended on the Latest Practicable Date and by reference to the approximate averages of the Closing Prices of Shanta Shares for the relevant periods.

Unfunded growth and future equity dilution

Bidco believes that, whilst Shanta has undertaken significant efforts to create shareholder value by both diversifying its Tanzanian production base and developing the growth opportunity that lies in Shanta's West Kenya Project, the delivery of the significant external funding required to drive further shareholder value in the medium term is uncertain and could potentially be on terms that are not attractive to Shanta Shareholders.

The evident risks in developing new assets for both junior and major gold miners have, in Bidco's belief, a negative influence on the share price of Shanta. Bidco believes that Shanta's share price may not overcome inherent risks of mining operations in the development stage, including inter alia, social, governmental, technical and financing risks and hence believes that, coupled with Shanta's low levels of share trading liquidity that may prevent a full exit, the Consideration represents a return of value to Scheme Shareholders which they may not otherwise be able to achieve in the short to medium term.

Furthermore, Bidco believes that the potentially limited availability of funding available to Shanta (at an attractive cost of capital) may be detrimental to other stakeholders whom the Shanta Board may also take into account. Shanta has delivered a stable environment in the regions it operates in, providing positive outcomes for local communities and employees. With the support of ETG, Bidco believes Shanta's positive work can be built on to a larger scale than what may be possible by Shanta on a standalone basis. As part of Bidco Group, Shanta will benefit from the capital, experience and connections of the Bidco Group in East Africa and as a result, have additional support during the currently heightened levels of macro-instability.

In addition, should the Acquisition complete, Shanta would operate without the costs of maintaining a public listing, resulting in an increase in operating cashflows for reinvestment.

Uncertain regulatory environment

Bidco believes uncertainty, since 2017, around the implementation of the legislated "16% Free Carried Interest" in Tanzania, and the outstanding legacy VAT receivable, overshadow the positive actions taken by the Shanta Board and management.

Illiquid share trading

Shanta's shares are illiquid. Bidco believes that institutional Shanta Shareholders most likely will not be able to exit their positions without disrupting the market equilibrium. Over the last 12 months, Shanta's average daily trading volume was approximately 4,514,826 million Shanta Shares, implying over eleven months for a full turn of Shanta's issued share capital. Furthermore, given the current levels of trading liquidity, Bidco believes that any sizeable selling demand in Shanta's Shares will have a significant detrimental effect in the Shanta share price.

Moreover, the average bid-ask spread for Shanta Shares over the last 12 months has been approximately 3.58 per cent., implying adverse trading conditions for both buyers and sellers of Shanta Shares, which Bidco believes increases the unattractiveness of Shanta as a publicly traded company.

5. Shanta's background to, and reasons for, the Recommendation

As Ketan Patel represents the interests of Bidco in relation to the Acquisition, for the purpose of considering the Acquisition, the Shanta Board constituted a committee comprising the Independent Shanta Directors.

By way of background, Shanta has sought to create shareholder value by growing and diversifying its production base in Tanzania while simultaneously progressing and defining the significant future growth opportunity inherent within the West Kenya Project. In so doing, Shanta has delivered a stable and consistent production profile from the well-established New Luika Gold Mine while at the same time developing, financing, constructing and commissioning a second producing mine at Singida. The commencement of commercial scale operations at Singida in June 2023 de-risked Shanta's reliance on a single production asset while at the same time materially increasing Shanta's free cashflow generation and long-term balance sheet strength. Alongside this production growth in Tanzania, Shanta has also increased the resource base at its West Kenya Project which underpins the project's economic prospectivity and will be further defined by the on-going technical and environmental studies, providing confidence in the long-term prospects for the business.

The Independent Shanta Directors believe that Shanta's operations and plans provide a foundation for potential growth. Since the start of this year, overall operational performance has been in line with the Independent Shanta Directors' expectations. The Independent Shanta Directors remain confident in Shanta's ability to succeed as an independent business, notwithstanding the technical, financial, permitting, social, commodity price related, and geopolitical risks inherent in the development of any large scale, greenfield, mining project.

In considering the Acquisition, the Independent Shanta Directors have taken account of the current operations of the business, the long-term potential value of Shanta and the risks in achieving this value, the current strength in the gold price, the currently weak equity capital markets and the limited liquidity in small-cap UK listed securities. Against this backdrop, the Acquisition provides a liquidity opportunity for all Shanta Shareholders to realise their investment in Shanta in full, in cash and at a premium to the undisturbed share price.

The Consideration represents a premium of approximately:

- 6.72 per cent. to the Closing Price of 12.65 pence per Shanta Share on the Latest Practicable Date;
- 23.28 per cent. to the volume-weighted average Closing Price of 10.95 pence per Shanta Share for the three month period ended on the Latest Practicable Date;
- 32.63 per cent. to the volume-weighted average Closing Price of 10.18 pence per Shanta Share for the six month period ended on the Latest Practicable Date; and
- 27.74 per cent. to the volume-weighted average Closing Price of 10.57 pence per Shanta Share for the twelve month period ended on the Latest Practicable Date.

In addition to the financial terms of the Acquisition, in its evaluation of Bidco as a suitable owner of Shanta from the perspective of all Shanta stakeholders, the Independent Shanta Directors have also given due consideration to Bidco's intentions regarding Shanta's ongoing strategy and operations and Bidco's recognition of the skills and expertise of Shanta's employees.

Accordingly, the Independent Shanta Directors intend to recommend unanimously that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that Shanta Shareholders vote in favour of the Resolution(s) at the General Meeting.

6. Recommendation of the Independent Shanta Directors

The Independent Shanta Directors, who have been so advised by Liberum as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing its advice to the Independent Shanta Directors, Liberum has taken into account the commercial assessments of the Independent Shanta Directors and is providing independent advice to the Independent Shanta Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Independent Shanta Directors intend to recommend unanimously that Voting Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that Shanta Shareholders vote in favour of the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer) as those Independent Shanta Directors who are interested in Shanta Shares have irrevocably undertaken to vote in favour (or procure to vote) in respect of their own beneficial holdings of 18,895,073 Shanta Shares, representing in aggregate, approximately 1.88 per cent. of the Voting Scheme Shares, and approximately 1.80 per cent. of the existing issued capital of Shanta at the close of business on the Latest Practicable Date. Since Ketan Patel, who is a Shanta Director, is associated with and indirectly beneficially interested in Bidco:

- he is not deemed sufficiently independent to join with the remaining Shanta Directors in relation to them considering, and publicly expressing their views on, the Acquisition; and
- the Acquisition is also classified as a related party transaction for the purposes of the AIM Rules. The Independent Shanta Directors consider, having consulted with Liberum, Shanta's nominated adviser, that the terms of the Acquisition are fair and reasonable in so far as the Shanta Shareholders are concerned.

7. Irrevocable undertakings and letter of intent

In addition to the irrevocable undertakings from Independent Shanta Directors referred to above, Bidco has received an irrevocable undertaking from Shanta's largest shareholder to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of 87,306,112 Shanta Shares, representing approximately 8.67 per cent. of the Voting Scheme Shares, and approximately 8.30 per

cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date.

Bidco has also received a letter of intent from the second-largest Shanta Shareholder to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of 86,901,970 Shanta Shares, representing approximately 8.63 per cent. of the Voting Scheme Shares, and approximately 8.26 per cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date.

Accordingly, as at the date of this Announcement, Bidco has received irrevocable undertakings and a letter of intent to vote, or procure the voting, in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of such Takeover Offer) in respect of a total of 193,103,155 Shanta Shares (representing approximately 19.18 per cent. of the Voting Scheme Shares and approximately 18.37 per cent. of the existing issued share capital of Shanta at the close of business on the Latest Practicable Date).

Full details of the irrevocable undertakings and the letter of intent received by Bidco are set out in Appendix 3 to this Announcement.

8. Information relating to Shanta

Shanta was established in 2001 and admitted to trading on AIM in 2005. Shanta is an East Africa-focused responsible gold producer, developer, and explorer. Shanta has an established operational track record, with defined ore resources on the New Luika and Singida projects in Tanzania, with reserves of 625 Koz grading 2.91 g/t, and exploration licenses covering approximately 800 km² in the country. Alongside New Luika and Singida, Shanta also owns the high-grade West Kenya Project in Kenya and licenses with resources of 1.76 million ounces, including 1.14 million oz in the indicated category.

New Luika Gold Mine

Shanta's first producing asset was the New Luika Gold Mine (100% owned), which is in the Songwe District of Southwestern Tanzania, approximately 700 km South-West of Dar Es Salaam. Production at New Luika commenced in 2012 and the current reserve life was extended in 2022 to H1 2028. New Luika has established a solid operational track record for converting inferred resources to reserves and extending the mine life accordingly. New Luika is an open pit and underground mining operation and employs approximately 1,040 employees and contractors of which approximately 99% are Tanzanians. New Luika has maintained its reputation as one of the safest gold mining operations of its peers.

Singida Gold Mine

Shanta commenced construction of Singida in late 2020, which became its second operating mine in Tanzania when it commenced production in Q1 2023, transforming Shanta into a +100,000 oz/pa producer with a diversified resource base. Singida's mining licences were successfully extended for an additional period of 10 years in January 2022. Singida is in the Ikungi district, Singida region of Central Tanzania. Seven open pits are planned to be mined as per the current Life of Mine Plan, which extends to the end of 2029, based on existing reserves.

West Kenya Project

The West Kenya Project hosts 1.755 million oz of gold graded at 5.55 grams per tonne (g/t), making it an attractive exploration and development project. The West Kenya Project covers approximately 580 km² of the highly prospective Lake Victoria greenstone gold field. Presently, two potential mining centers have been identified on the West Kenya Project Shanta Gold Licences: 1. Kakamega Potential Mining Centre (Isulu-Bushiangala is the main resource-stage target) and 2. Ramula Potential Mining Centre (Ramula is a new resource-stage target).

Asset Valuations

The Independent Shanta Directors note that the various asset valuations published by Shanta in the 12 months before the commencement of the Offer Period were provided for illustrative purposes only, based on historic figures and, in the Independent Shanta Directors' view, are neither valid nor relevant in the context of the Acquisition or otherwise. The Independent Shanta Directors therefore disclaim those valuations, all of which should be discounted by Shanta Shareholders when considering the Acquisition or otherwise. It has been agreed with the Panel that these valuations are not relevant for the purposes of Rule 29 of the Takeover Code.

Strategy, employees, management and directors

Bidco does not intend to effect any material changes to Shanta's ongoing strategy and operations. Bidco views Shanta's senior management team and employees as a key attribute in driving future growth in the business. Bidco has no intention to make any material change to the terms and conditions of employment of Shanta employees or, other than in relation to the Independent Shanta Directors as described below, in the balance of the skills and functions of the employees and management of Shanta.

Bidco intends that some or all of the Independent Shanta Directors may stay on with the Shanta business (on the Shanta Board or otherwise) following completion of the Acquisition. Bidco holds the significant and valued, skills, talent and experience of the Independent Shanta Directors in high regard and, following completion, Bidco will undertake a review of the Shanta Board taking, *inter alia*, these factors into account to assess their potential ongoing roles within Shanta. There is no intention, however, that Bidco would, prior to completion of the Acquisition, negotiate or discuss with the Independent Shanta Directors the precise terms on which such directors may be willing to remain with the business following Completion.

Employment and pension rights

Bidco intends to safeguard the existing employment rights of the management and employees of Shanta, including in relation to pensions, in accordance with applicable law and does not envisage any material change in the conditions of employment or pension rights of the management and employees of Shanta.

Following completion of the Acquisition, Bidco intends to put in place incentivisation arrangements for managers and employees of Shanta.

Locations of business, headquarters, fixed assets and research and development

Bidco does not envisage a redeployment of Shanta's fixed asset base. Following completion of the Acquisition, Bidco may identify areas of the Shanta Group where asset development that could be prioritised however, based on Bidco's knowledge of Shanta and diligence performed to date, Bidco does not expect the Acquisition to have a material impact on the operations or places of business of Shanta.

Following completion of the Acquisition, Bidco intends to maintain Shanta's Tanzanian headquarters. Bidco will, with the assistance of its tax and legal advisors, conduct a review in respect of the overall Shanta Group holding structure including its various Guernsey holding companies.

Shanta does not currently have a research and development function and Bidco therefore has no plans to make any changes in this regard.

Trading facilities

Shanta Shares are currently traded on AIM. As set out in paragraph 16 below, it is intended that a request will be made to the London Stock Exchange to cancel trading in Shanta Shares on AIM, subject to the Acquisition becoming Effective, such cancellation to take effect from shortly after the Effective Date. As stated in paragraph 16 below, dealings in Shanta Shares will be suspended prior to the Effective Date and, thereafter, there will be no trading facilities in relation to Shanta Shares.

As a result of the cancellation of trading in Shanta Shares on AIM, Bidco expects to achieve savings from Shanta in no longer having to comply with its ongoing public company reporting obligations and the associated listing and advisory costs.

No "post-offer undertakings"

No statements in this paragraph 10 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

11. Financing of the Acquisition

The Consideration payable to Scheme Shareholders pursuant to the Acquisition will be financed partly by the existing cash resources available to the Bidco Group and partly by debt financing to be provided by The Standard Bank of South Africa Limited (acting through its Isle of Man branch) and Nedbank Limited (acting through its Nedbank Corporate and Investment Banking Division).

12. Offer-related Arrangements

Confidentiality Agreement

On 29 June 2023, ETC Holdings and Shanta entered into the Confidentiality Agreement in connection with the Acquisition, pursuant to which, amongst other things, the parties gave certain undertakings to: (i) subject to certain exceptions, keep information relating to the Acquisition and each other party confidential and not to disclose it, subject to certain exceptions, to third parties; and (ii) use such confidential information only in connection with the Acquisition. These confidentiality obligations will remain in force until the earlier of two years from the date of the agreement and Completion.

Co-operation Agreement

On 20 December 2023, Bidco and Shanta entered into the Co-operation Agreement in relation to the Acquisition. Pursuant to the Co-operation Agreement: (i) Bidco has agreed to use all reasonable endeavours to satisfy, or procure the satisfaction of, the Conditions relating to receipt of regulatory and antitrust clearances as soon as is reasonably practicable and in any event, so as to enable the Effective Date to occur by the Long Stop Date; and (ii) the parties have agreed to certain provisions if the Acquisition should switch to a Takeover Offer. In addition, Bidco has agreed to provide Shanta with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document.

The Co-operation Agreement shall terminate, amongst other things: (i) upon written notice served by either party where: (a) the Independent Shanta Directors recommend a competing proposal or a competing proposal becomes effective or is declared unconditional; and/or (b) if the recommendation

of the Acquisition by the Independent Shanta Directors changes; (ii) upon written notice served by Bidco to Shanta where, prior to the Long Stop Date, a Condition which is either not capable of being waived or, where capable of being waived Bidco has confirmed that it will not waive said Condition, becomes incapable of satisfaction by the Long Stop Date in circumstances where invocation of the relevant Condition is permitted by the Panel; (iii) the Acquisition is withdrawn, terminates or lapses in accordance with its terms; (iv) the Scheme and/or Resolution(s) are not approved at the Meetings; or (v) if the parties agree in writing.

Pursuant to the terms of the Co-operation Agreement, Bidco undertakes that it will deliver a notice in writing by 11.59 pm on the business day before the Court Hearing confirming either: (i) the satisfaction or waiver of all Conditions (other than the condition referred to in paragraph 2(c)(i) of Part 1 of Appendix 1 to this Announcement); or (ii) that it intends to invoke one or more Conditions (if permitted to do so by the Panel).

13. Scheme process

It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement between Shanta and the Scheme Shareholders under Part VIII of the Companies Law. Bidco reserves the right, however, to implement the Acquisition by way of Takeover Offer, subject to the consent of the Panel and the terms of the Co-operation Agreement.

The purpose of the Scheme is to provide for Bidco to become the owners of the entirety of the issued and to be issued share capital of Shanta not already held by any member of the Bidco Group. Under the Scheme, the Acquisition is to be achieved by the transfer of the Scheme Shares held by Scheme Shareholders to Bidco in consideration for which Scheme Shareholders will receive the Consideration on the basis set out in paragraph 2 of this Announcement. The process involves, amongst other things, an application by Shanta to the Court to sanction the Scheme.

The Acquisition will be subject to the Conditions and further terms and conditions referred to in Appendix 1 to this Announcement and to be set out in the Scheme Document. Subject, amongst other things, to the satisfaction (or, where applicable, waiver) of the Conditions, the Scheme will only become Effective if, amongst other things, the following events occur on or before the Long Stop Date (or such later date as Bidco and Shanta may, with the consent of the Panel, agree and, if required, the Court may approve):

- a resolution to approve the Scheme is passed by a majority in number of the Voting Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing 75 per cent. or more of the voting rights of such Scheme Shareholders;
- the Resolution(s) is (or are, as applicable) passed by the requisite majority of Shanta Shareholders at the General Meeting (either in person or by proxy);
- certain regulatory approvals as described in Appendix 1 (that is, approvals from the Tanzanian Fair Competition Commission, the Competition Authority of Kenya, the Tanzanian Mining Commission and the Cabinet Secretary for Mining, Blue Economy and Maritime Affairs in Kenya) are obtained (or waived, as applicable); and

- following the Meetings, the Scheme is sanctioned by the Court (with or without modification, and, if with modification, on terms agreed by Bidco and Shanta). The Scheme will only become Effective if the Court Order is granted, in which case the Scheme will become Effective upon delivery to the Registrar of Companies of a copy of the Court Order by Shanta.

The Shanta Shares owned or controlled by Export Holdings, a company associated with the UBOs, including Ketan Patel, (being 44,488,248 Shanta Shares as at the close of business on the Latest Practicable Date) will not constitute Scheme Shares and will not be acquired by Bidco pursuant to the Acquisition. Upon the Acquisition becoming Effective, Export Holdings, or a company associated with Bidco, will continue to hold such Shanta Shares. Export Holdings will not, therefore, be permitted to vote the Shanta Shares owned or controlled by it at the Court Meeting, but will be permitted to vote such Shanta Shares at the General Meeting.

The Shanta Shares owned or controlled by the Bidco Connected Individuals (being, in aggregate, 363,448 Shanta Shares, as at the close of business on the Latest Practicable Date) will constitute Scheme Shares and will be acquired by Bidco pursuant to the Acquisition. The Bidco Connected Individuals will not be permitted to vote the Shanta Shares owned or controlled by them at the Court Meeting, but will be permitted to vote such Shanta Shares at the General Meeting.

The Scheme will lapse and the Acquisition will not complete if, amongst other things:

- the Court Meeting, the General Meeting or the Court Hearing are not held by the 22nd day after the expected date of such Meetings or hearing (as applicable) as set out in the Scheme Document (or such later date as may be agreed between Bidco and Shanta, with the consent of the Panel and as the Court may approve, if such approval is required), provided that the deadlines referred to above, in relation to the timings of Meetings and Court Hearing, may be waived by Bidco; or
- the Scheme does not become Effective by the Long Stop Date (or such later date as may be agreed between Bidco and Shanta, with the consent of the Panel and as the Court may approve, if such approval is required).

Upon the Scheme becoming Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Meetings (and if they attended and voted, whether or not they voted in favour). The Consideration payable under the Acquisition will be despatched by Bidco to Scheme Shareholders no later than 14 days after the Effective Date. In addition, from the Effective Date, share certificates in respect of the Shanta Shares will cease to be valid and entitlements to Shanta Shares held within the CREST system will be cancelled.

The Resolution(s) to be proposed at the General Meeting will, amongst other matters, provide that the Articles be amended to incorporate provisions requiring any Shanta Shares issued after the Scheme Record Time (other than to Bidco and/or its nominees) to be automatically transferred to Bidco on the same terms as the Acquisition (other than terms as to timings and formalities). These provisions of the Articles (as amended) will avoid any person (other than a member of the Bidco Group) holding Shanta Shares after the Effective Date.

The Scheme Document will include full details of the Scheme, together with notices of the Court Meeting and the General Meeting and the expected timetable for the implementation of the Scheme, and will specify the action to be taken by Shanta Shareholders. The Scheme Document, together with accompanying Forms of Proxy, is expected to be published and sent to Shanta Shareholders in January 2024 (unless the Panel agrees otherwise). The Acquisition will lapse if the Scheme does not become Effective by the Long Stop Date (or such later date as Bidco and Shanta may agree, with the consent of the Panel and as the Court may approve, if such approval is required).

Subject to, amongst other things, the satisfaction (or, where applicable, waiver) of the Conditions, it is expected that the Acquisition will become Effective in H1 2024.

The Scheme will be governed by Guernsey law and will be subject to the jurisdiction of the Court and will be subject to the applicable requirements of the Takeover Code, the Panel, the FCA, the London Stock Exchange (including pursuant to the AIM Rules) and the Registrar of Companies.

14. Dividends

The Permitted Dividend shall be paid to Shanta Shareholders holding Shanta Shares at the relevant record date without a commensurate reduction in the Consideration payable to them under the Acquisition. Other than the Permitted Dividend, Bidco reserves the right to reduce the Consideration payable for each Scheme Share pursuant to the Acquisition by up to the amount per Scheme Share of any dividends or other distribution to shareholders (whether payable in cash or otherwise) paid by Shanta prior to the Effective Date.

15. Disclosure of interests

Except for the irrevocable undertakings referred to in paragraphs 6 and 7 above, and the interests of Export Holdings and each Bidco Connected Individual in the Shanta Shares, as referred to in paragraph 3, as at the date of this Announcement, neither Bidco, nor any member of the Bidco Group, nor any of their respective directors, nor, so far as Bidco is aware, any person acting in concert (within the meaning of the Takeover Code) with Bidco:

- has any interest in, or right to subscribe for, any relevant securities of Shanta; nor
- has any short position in respect of any relevant securities of Shanta, including any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of relevant securities of Shanta; nor
- has borrowed or lent any relevant securities of Shanta or entered into any financial collateral arrangements relating to relevant securities of Shanta; nor
- is party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code in relation to relevant securities of Shanta.

An "interest in" securities for these purposes arises, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only has a short position in securities is not treated as interested in those securities). In particular, a

person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to securities.

16. Cancellation of admission to trading on AIM

Prior to the Scheme becoming Effective, it is intended that an application will be made to the London Stock Exchange to, subject to the Acquisition becoming Effective, cancel trading in Shanta Shares on AIM, with effect from shortly following the Effective Date.

The last day of dealings in, and registration of transfers of, Shanta Shares on the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. (London time) on that date.

On the Effective Date, Shanta will become a subsidiary of Bidco and share certificates in respect of Shanta Shares will cease to be valid and should be destroyed. In addition, entitlements held within the CREST system to the Shanta Shares will be cancelled on the Effective Date.

Upon the Scheme becoming Effective, Bidco will acquire the Shanta Shares fully paid and free from all liens, charges, equitable interests, encumbrances and rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto including the right to receive and retain all dividends and distributions declared, made or paid by reference to a record date after the Effective Date.

17. Consents

Berenberg and Liberum have each given and not withdrawn their consent to the publication of this Announcement with the inclusion herein of the references to their names in the form and content in which they appear.

18. Documents available for inspection

19. General

Bidco reserves the right to elect, with the consent of the Panel (where necessary) and subject to the terms and conditions of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of Shanta not already held by any member of the Bidco Group as an alternative to the Scheme. In such an event a Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of a Takeover Offer and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Bidco intends to: (i) request that the London Stock Exchange cancels trading in Shanta Shares on AIM; and (ii) exercise its rights (to the extent such rights are available) to apply the provisions of section 337 and Part XVIII of the Companies Law to acquire compulsorily the remaining Shanta Shares (other than the Excluded Shares) in respect of which the Takeover Offer has not been accepted.

The Acquisition will be subject to the Conditions and other terms set out in Appendix 1 and to the full terms and conditions which will be set out in the Scheme Document. The formal Scheme Document containing further information about the Acquisition and notices of the Meetings, together with the accompanying Forms of Proxy, are expected to be published and sent to Shanta Shareholders in January 2024 (unless the Panel agrees otherwise).

Appendix 2 contains the bases of calculation and sources of certain information contained in this Announcement. Details of the irrevocable undertakings and letter of intent received by Bidco in connection with the Acquisition are set out in Appendix 3 to this Announcement. Certain terms used in this Announcement are defined in Appendix 4.

20. Shanta Presentation

A presentation from the Independent Shanta Directors in relation to the Acquisition will be available on Shanta's website at www.shantagold.com in due course.

Shanta and Bidco urge Shanta Shareholders to read the Scheme Document (or if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) when it becomes available because it will contain important information relating to the Acquisition.

Overseas jurisdictions

This Announcement has been prepared in accordance with, and for the purposes of complying with, Guernsey law, the Takeover Code and the AIM Rules, and information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and Guernsey.

The release, publication or distribution of this Announcement in or into, and the availability of the Acquisition to persons who are residents, citizens or nationals of, jurisdictions other than the United Kingdom or Guernsey may be restricted by law and therefore any persons who are subject to the laws

of any jurisdiction other than the United Kingdom or Guernsey should inform themselves about, and observe, any applicable requirements.

The availability of the Acquisition to Shanta Shareholders who are not resident in and citizens of the United Kingdom or Guernsey may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizen. Persons who are not resident in the United Kingdom or Guernsey or who are subject to the laws and regulations of other jurisdictions should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in the United Kingdom or Guernsey to vote their Shanta Shares with respect to the Scheme at the Meetings, or to execute and deliver Forms of Proxy (or other proxy instructions) appointing another to vote at the Meetings on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. Further details in relation to Overseas Shareholders will be contained in the Scheme Document.

Unless otherwise determined by Bidco or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, in whole or in part, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would constitute a violation of the relevant laws or regulations of such jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Copies of this Announcement and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send it in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of a Takeover Offer (unless otherwise permitted by applicable law and regulation), the Takeover Offer may not be made directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer may not be capable of acceptance by any such use, means, instrumentality or facilities.

The Acquisition will be subject to Guernsey law and the jurisdiction of the Court, and the applicable requirements of the Takeover Code, the Panel, the FCA, the London Stock Exchange (including pursuant to the AIM Rules) and the Registrar of Companies.

Notice to US investors in Shanta

The Acquisition relates to the shares of a company registered in Guernsey with a quotation on AIM and is proposed to be made by means of a scheme of arrangement provided for under Part VIII of the Companies Law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the US Exchange Act of 1934, as amended. Accordingly, the Acquisition will be subject to the disclosure requirements and practices applicable in

Guernsey to schemes of arrangement which differ from the disclosure requirements of United States tender offer and proxy solicitation rules.

This Announcement does not constitute or form a part of any offer to sell or issue, or any solicitation of any offer to purchase, subscribe for or otherwise acquire, any securities in the United States. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of the information contained in this Announcement. Any representation to the contrary may be a criminal offence.

If, in the future, Bidco exercises the right, with the consent of the Panel (where necessary), to implement the Acquisition by way of a Takeover Offer and determines to extend the offer into the United States, the Acquisition will be made in compliance with applicable United States laws and regulations, including Section 14(e) of the US Securities Exchange Act 1934 and Regulation 14E thereunder.

Financial information included in this Announcement and the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the Offer Document) has been or will have been prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom that may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of cash pursuant to the Acquisition by a US holder of Shanta Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each Shanta Shareholder is therefore urged to consult with independent legal, tax and financial advisers in connection with making a decision regarding the Acquisition.

It may be difficult for US holders of Shanta Shares to enforce their rights and any claim arising out of the US federal laws in connection with the Acquisition, since Bidco and Shanta are located in, and organised under the laws of, a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of Shanta Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to the jurisdiction or judgment of a US court.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the US Securities Exchange Act of 1934, Bidco, certain affiliated companies and their nominees or brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Shanta Shares outside of the US, other than pursuant to the Acquisition, until the date on which the Acquisition and/or Scheme becomes Effective, lapses or is otherwise withdrawn. Also, in accordance with Rule 14e-5(b) of the US Securities Exchange Act of 1934, each of Berenberg and Liberum will continue to act as an exempt principal trader in Shanta Shares on the London Stock Exchange. If such purchases or arrangements to purchase were to be made they would occur either in the open market at prevailing prices or in private transactions at negotiated prices and comply with applicable law, including the US Securities Exchange Act of 1934. Any information about such purchases will be disclosed as required in the UK,

will be reported to the Regulatory News Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

Cautionary Note Regarding Forward-Looking Statements

This Announcement (including information incorporated by reference into this Announcement), statements made regarding the Acquisition, and other information published by Bidco and/or Shanta, contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and not based on historical facts, but rather on current expectations and projections of the management of Bidco and/or Shanta about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this Announcement include statements with respect to the financial condition, results of operations and business of Shanta and certain plans and objectives of Bidco with respect thereto and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the fact that they do not relate only to historical or current facts and may use words such as "anticipate", "target", "expect", "estimate", "forecast", "intend", "plan", "budget", "scheduled", "goal", "believe", "hope", "aims", "continue", "will", "may", "should", "would", "could", or other words of similar meaning. These statements are based on assumptions and assessments made by Shanta and/or Bidco in light of their experience and their perception of historical trends, current conditions, future developments and other factors they believe appropriate. By their nature, forward-looking statements involve known and unknown risk and uncertainty and other factors which may cause actual results, performance or developments to differ materially from those expressed in or implied by such, because they relate to events and depend on circumstances that will occur in the future. Although Bidco and/or Shanta believe that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct and you are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. Neither Bidco nor Shanta assumes any obligation to update or correct the information contained in this Announcement (whether as a result of new information, future events or otherwise), except as required by applicable law.

There are a number of factors which could cause actual results and developments to differ materially from those expressed or implied in the forward-looking statements including, but not limited to: the enactment of legislation or regulation in the countries in which Bidco and Shanta operate that may impose costs or restrict activities; the re-negotiation of contracts or licences; the ability to obtain requisite regulatory approvals and the satisfaction of other Conditions on the proposed terms; changes in the local and global, political, economic, business and competitive environments and in market and regulatory forces, fluctuations in the spot and forward price of gold or certain other commodities (such as silver, diesel fuel, and electricity); the speculative nature of mineral exploitation and development; fluctuations in demand and pricing in the mineral exploration and mining industry; risks and hazards associated with the business of mineral exploration development and mining such as environmental hazards, industrial accidents, and gold bullion or gold losses (and the risk of inadequate insurance, or inability to obtain insurance, to cover these risks); fluctuations in the currency markets; changes in exchange controls; changes in government policy and taxation; industrial disputes; war and terrorism. Other unknown or unpredictable factors could cause actual results to differ materially from those

expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results and developments may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors Neither Bidco nor Shanta, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in their Announcement will actually occur. Given the risks and uncertainties, you are cautioned not to place any reliance on these forward-looking statements.

Other than in accordance with their legal or regulatory obligations, neither Bidco nor Shanta is under any obligation, and Bidco and Shanta expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

General

Bidco reserves the right to elect, with the consent of the Panel (where necessary), and subject to the terms and conditions of the Co-operation Agreement, to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued share capital of Shanta not already held by any member of the Bidco Group as an alternative to the Scheme. In such an event a Takeover Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme.

If the Acquisition is effected by way of Takeover Offer, and such Takeover Offer becomes or is declared unconditional in all respects and sufficient acceptances are received, Bidco intends to exercise its rights to apply the provisions of section 337 and Part XVIII of the Companies Law so as to acquire compulsorily the remaining Shanta Shares in respect of which the Takeover Offer has not been accepted.

- 3 If Bidco is required by the Panel to make an offer for Shanta Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions as are necessary to comply with the provisions of that Rule.
- 4 Under Rule 13.5(a) of the Takeover Code and subject to paragraph 6 below, Bidco may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
- 5 Any condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Bidco.
- 6 Conditions 2(a)(i), 2(b)(i) and 2(c)(i) and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.
- 7 Subject to paragraph 3(g) of Appendix 7 to the Takeover Code, Bidco will be under no obligation to waive (if capable of waiver) or to treat as fulfilled any of the Conditions by a date earlier than the latest date specified above for the fulfilment or waiver of that Condition notwithstanding that the other Conditions of the Acquisition may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
- 8 Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.

9 The Shanta Shares to be acquired under the Acquisition will be acquired by Bidco fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them as at the Effective Date, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid after the Effective Date.

10 Subject to the terms of the Scheme, if, on or after the date of this Announcement and before the Effective Date, any dividend or other distribution to Shanta Shareholders (whether payable in cash or otherwise) (other than the Permitted Dividend) is declared, made or paid by Shanta or becomes payable in respect of the Shanta Shares, Bidco reserves the right to reduce the Consideration payable under the terms of the Acquisition by an amount up to the amount of any such dividend or other distribution to Shanta Shareholders (whether payable in cash or otherwise) in which case: (a) any reference in this Announcement or in the Scheme Document to the consideration payable under the terms of the Acquisition will be deemed to be a reference to the consideration as so reduced; and (b) the relevant eligible Shanta Shareholders will be entitled to receive and retain such dividend or other distribution to Shanta Shareholders (whether payable in cash or otherwise).

To the extent that any such dividend or other distribution to Shanta Shareholders (whether payable in cash or otherwise) announced, declared, made or paid by Shanta is: (i) transferred pursuant to the Acquisition on a basis which entitles Bidco to receive the dividend or other distribution to Shanta Shareholders (whether payable in cash or otherwise) and to retain it; or (ii) cancelled, the consideration payable under the terms of the Acquisition will not be subject to change in accordance with this paragraph. Any exercise by Bidco of its rights referred to in this paragraph 10 shall be the subject of an announcement and the consent of the Panel and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.

11 Bidco reserves the right to elect (with the consent of the Panel and subject to the terms of the Co-operation Agreement) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the Takeover Offer will be implemented on substantially the same terms subject to appropriate amendments, including (without limitation) an acceptance condition set at 90 per cent. (or such lesser percentage, being more than 50 per cent., as Bidco may, subject to the terms of the Co-operation Agreement, decide) of the shares to which such offer relates, so far as applicable, as those which would apply to the Scheme.

12 The availability of the Acquisition to persons not resident in the United Kingdom or Guernsey may be affected by the laws of the relevant jurisdictions. Persons who are subject to the laws of any jurisdiction other than the United Kingdom and Guernsey and/or are not resident in the United Kingdom or Guernsey should inform themselves about and observe any applicable requirements.

13 The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction where

to do so would violate the laws of that jurisdiction and will not be capable of acceptance by such use, means, instrumentality or facility from within any Restricted Jurisdiction.

- 14 The Scheme will be governed by Guernsey law and is subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Part 2 and to the full terms and Conditions to be set out in the Scheme Document in due course. The Acquisition will be subject to Guernsey law and the jurisdiction of the Court, and the applicable requirements of the Takeover Code, the FCA, the Panel, the London Stock Exchange (including pursuant to the AIM Rules) and the Registrar of Companies.

- if Bidco announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition;
- a person, other than Bidco, announces a firm intention to make an offer (in accordance with Rule 2.7 of the Code) (a "**Firm Third Party Offer**"), however structured, for the entire issued and to be issued share capital of Shanta (save for those shares in Shanta already owned by such third party or by any person acting in concert with it), and the consideration payable for each share in the capital of Shanta under such Firm Third Party Offer is at least 10 per cent. greater than the amount or value of consideration offered under the Acquisition) (a "**Superior Proposal**").
